Student Behaviour
There was pleasing improvement in student behaviour in term 3 when compared with term 2. We are hoping that term 4 will be the best term of the year. Students are being reminded today in their classrooms about the importance of following school rules and our 4 C’s – care, courtesy, common sense and commitment. Parents can assist by also encouraging students to behave appropriately and working with teachers to work out any problems.

Friday – Out of Uniform Day
This Friday students are invited to dress as their favourite sportsperson. A gold coin donation is required. Money raised will help Ben Plowman get to Victoria for the state cricket finals.

Attendance
A reminder to all parents that attendance at school is required each school day. Children can’t learn if they don’t attend school on a regular basis. By law all absences must be explained.

Before School
Parents are reminded that students are not supervised until 8.30am and children should not be at school prior to that time.

Jump off Day
Jump off Day

Throughout Term 3 students enjoyed practising and learning a variety of skipping skills. On Thursday 17th September, students participated in the Mayfield West Demonstration School Jump off Day. It was amazing to see enthusiasm and interest throughout the school. The progress made by the students was outstanding.

Thank you to all the teachers and students for supporting this initiative. Together we raised $227.90 for the Heart Foundation.
