Congratulations to our Student Council Representatives who received their badges last week. Our first meeting is next Tuesday afternoon and we are currently reviewing our homework policy. Students will bring information from their classmates about homework to help us update our school policy for next year.

Water Safety Education
On Friday 14th August all students from Kindergarten to Year 6 participated in talks with life guards from Newcastle City Council on Water Safety. The life guards discussed safe behaviour and rules when swimming at the beach, pool and river. MWDS students asked sensible questions and the life guards were impressed with our student's knowledge of safe and unsafe behaviours around water.

Tournament of Minds
Good luck to our Tournament of Minds team that competes on Sunday. Thank you to Mrs Dabboussy for getting them prepared for the event.
Woolworths Earn and Learn
Help support our school by collecting stickers each time you visit Woolies. Stickers and sticker cards can be placed inside the collection box outside the office. Keep up the great work a Mayfield West!

Cluster Choir
Last Thursday 78 students from MWDS participated in the first combined rehearsal for Cluster Choir. A number of schools are participating in the concert on Thursday 3rd September at Callaghan Campus Waratah. Our students thoroughly enjoyed spending the day singing a medley of songs from rock legend Elvis Presley, The Sound of Music and our all time favourite Star Trekkin'. What a talented group of singers we have at Mayfield West! Thank you to Miss Talbot for encouraging all students to reach an exceptionally high standard of singing and conducting the choir.
